Carrying bag

Alarm Features

- Wake to iPod
- Alarm Reset turns off alarm while automatically resetting for same time the following day
- Sure Alarm battery backup maintains clock setting and ensures alarm wake time in case of power failure
- iPod alarm backup: if no audio is detected from iPod, a buzzer will sound instead

Sleep Features

- Sleep to iPod, iPod Shuffle, or Auxilliary Audio device
- Programmable Sleep timer with 90, 60, 30, or 15-minute countdown
- Adjustable Sleep volume allows you to select a comfortable "sleep" volume level without affecting the "wake to" or listening volume levels
- Gently increasing and decreasing wake and sleep volumes

Remote Control Features

- Controls all major functions for iPod™, alarm reset and snooze operation
- Convenient control from a distance

Display and Design Features

- Portable, sleek contemporary design
- Stereo neodymium micro driver speakers
- Easy to adjust alarm and time settings
- MP3/CD line-in with patch cord
- Travel Lock feature that maintains settings and keeps unit from powering ON, saving battery life.
- Inserts to fit all iPods, including Nano
- Large multifunction LCD 12 hr. or 24 hr. display with adjustable White blacklight
- Includes a protective carrying case with handle
- Includes power adaptor
